Attention to Detail

```ts
// BSc Applied Mathematics & Computer Science — UNISA, 2026
import { Profile } from './career';

export const profile: Profile = {
  summary: `BSc graduate in Applied Mathematics and Computer
    Science with hands-on experience building and maintaining
    production software. Comfortable across the stack —
    C#, Angular, Vue.js and T-SQL — with a track record of
    solving problems, shipping fixes and working well in
    development teams.`,
};
